

Course duration – 1 day

## Introduction to Incident Investigation

Learn how non-complex incidents can be investigated effectively. By learning lessons and making improvements, organisations can avoid similar incidents occurring in the future

### What is it?

This one-day NEBOSH HSE qualification shows how non-complex incidents can be investigated effectively and includes:

- Moral, legal, and financial arguments for investigations
- Human and organizational factors that can contribute to an incident
- The process for investigating incidents
- Positive interview strategies and the barriers to successful interviews

### PSM Value Add Benefit \*\* Exclusive Process Safety Management enhanced content option includes:

- Bow-tie analysis for process safety incidents
- Identifying failed barriers which allowed incident to occur & underlying causes
- Accident case studies such as
  - Chevron 2011 explosion (Penbrokshire, UK)
  - Buncefield 2005 disaster (Hertfordshire, UK)

### Who should attend?

Anyone who wants to carry out incident investigations effectively - Employers, Supervisors, SHE Champions, Union and Safety representatives

### How is it delivered?

An INTERACTIVE class above e-learning!

3 Study modes:

- Virtual facilitated (online – public or private)
