

Introduction to Incident Investigation

Course duration - 1 day

Learn how non-complex incidents can be investigated effectively. By learning lessons and making improvements, organisations can avoid similar incidents occurring in the future.

About the Course

This one-day NEBOSH HSE qualification shows how non-complex incidents can be investigated effectively and includes:

- Moral, legal, and financial arguments for investigations
- Human and organizational factors that can contribute to an incident
- The process for investigating incidents
- Positive interview strategies and the barriers to successful interviews

PSM Value Add Benefit ** Exclusive Process Safety Management enhanced content option includes:

- Bow-tie analysis for process safety incidents
- Identifying failed barriers which allowed incident to occur & underlying causes
- Accident case studies such as Accident case studies such as
 - o Chevron 2011 explosion (Penbrokshire, UK)
 - o Buncefield 2005 disaster (Hertfordshire, UK)

Who Should Attend?

Anyone who wants to carry out incident investigations effectively - Employers, Supervisors, SHE Champions, Union and Safety representatives
