

# SIAS

A woman with her hair in a bun, wearing a dark polo shirt, is focused on writing on a document in a factory or industrial setting. She is holding a pen and looking down at the paper. The background shows industrial equipment and a control panel with various buttons and lights. The entire image has a purple tint.

# SIAS End Point Assessment Fees for all apprentices registered with SIAS from September 2022

Details of our service are described in the Working Together Guide, which is included in the SIAS service offer pack.

## SIAS End-point Assessment cancellation fees

Please refer to the cancellation policy. The proportion of the final payment that may be charged will vary depending on the amount of notice given.

Resit fees are shown per standard in the below tables but please also refer to the resit policy. Behaviours evaluation- Where the host employer conducts the behaviours evaluation, the outcome contributes to the grading of the apprenticeship award. Re-sits of this element of the end point assessment are not allowed.

### Level 2

#### ST04022-Science Manufacturing Process Operative (SMPO) V1.0

Charge per apprentice		Resit/Retake Fees	
At Registration	£400	Practical Observation (PO)	£400
At Gateway	£800	Vocational Competence Discussion (VCD)	£400
<b>Total payable</b>	<b>£1200</b>		

#### ST04022-Science Manufacturing Process Operative (SMPO) V1.1

Charge per apprentice		Resit/Retake Fees	
At Registration	£400	Practical Observation (PO)	£400
At Gateway	£1000	Interview	£400
<b>Total payable</b>	<b>£1400</b>	Multiple-choice test	£50

#### ST0537-Engineering Operative

Charge per apprentice		Resit/Retake Fees	
At Registration	£150	Practical Observation (PO)	£400
At Gateway	£850	Professional Discussion	£400
<b>Total payable</b>	<b>£1000</b>		

#### ST0420- Lean Manufacturing Operative

Charge per apprentice		Resit/Retake Fees	
At Registration	£150	Practical Observation (PO)	£400
At Gateway	£850	Professional Discussion	£400
<b>Total payable</b>	<b>£1000</b>		

## Level 3

### ST0249 - Science Industry Maintenance Technician

Charge per apprentice		Resit/Retake Fees	
At Registration	£600	Synoptic assessment test (SAT)	£500
Start of final year	£1000	Vocational competence discussion (VCD)	£500
At Gateway	£1400	Scenario case study (SCS)	£100
<b>Total payable</b>	<b>£3000</b>		

### ST0250 – Science Manufacturing Technician

Charge per apprentice		Resit/Retake Fees	
At Registration	£600	Synoptic assessment test (SAT)	£500
Start of final year	£1000	Vocational competence discussion (VCD)	£500
At Gateway	£1400	Scenario case study (SCS)	£100
<b>Total payable</b>	<b>£3000</b>		

### ST0154 – Maintenance and Operations Engineering Technician

Charge per apprentice		Resit/Retake Fees	
At Registration	£300	Knowledge test	£100
Start of final year	£1000	Practical observation	£500
At Gateway	£1800	Technical interview	£700
<b>Total payable</b>	<b>£3100</b>		

### ST0950- Healthcare Engineering Specialist Technician

Charge per apprentice		Resit/Retake Fees	
At Registration	£400	Knowledge test	£100
Start of final year	£1000	Observation with questioning	£500
At Gateway	£1400	Structured Interview	£500
<b>Total payable</b>	<b>£2800</b>		

### ST0248- Laboratory Technician V.1.2 (New)

Charge per apprentice		Resit/Retake Fees	
At Registration	£400	Knowledge test	£100
Start of final year	£1000	Observation with questioning	£500
At Gateway	£1400	Structured Interview	£500
<b>Total payable</b>	<b>£2800</b>		

### ST0824- Signage Technician

Charge per apprentice		Resit/Retake Fees	
At Registration	£300	Practical Observation (PO)	£400
At Gateway	£1200	Project, Report and Questions	£400
<b>Total payable</b>	<b>£1500</b>		

### ST0889- Mortuary Technician

Charge per apprentice		Resit/Retake Fees	
At Registration	£300	Observation with questioning	£400
Start of final year	£600	Professional Discussion	£400
At Gateway	£1200		
<b>Total payable</b>	<b>£2200</b>		

### Level 5

### ST0597 - Technician Scientist

Charge per apprentice		Resit/Retake Fees	
At Registration	£600	Project report presentation and discussion	£500
Start of final year	£1000	Vocational competence discussion (VCD)	£500
At Gateway	£1200		
<b>Total payable</b>	<b>£2800</b>		

### Level 6

### ST0626 - Laboratory Scientist

Charge per apprentice		Resit/Retake Fees	
At Registration	£600	Project report presentation and discussion	£500
Start of final year	£1000	Vocational competence discussion (VCD)	£500
At Gateway	£1200		
<b>Total payable</b>	<b>£2800</b>		

### ST0473 - Science Industry Process Plant Engineer

Charge per apprentice		Resit/Retake Fees	
At Registration	£600	Project report presentation and discussion	£500
Start of final year	£1000	Vocational competence discussion (VCD)	£500
At Gateway	£1200		
<b>Total payable</b>	<b>£2800</b>		

### Level 7

### ST0759 – Research Scientist

Charge per apprentice		Resit/Retake Fees	
At Registration	£400	Project report presentation and discussion	£500
At Gateway	£2000	Professional Discussion	£500
<b>Total payable</b>	<b>£2400</b>		

## **Other Charges (ex VAT)**

Replacement Competence Evaluation Log (CEL) - £30

Replacement Competence Evaluation Tracker - £20
