

# Engineering Tutor Vacancy

Cogent, an independent apprenticeship training provider to the science sector, has an exciting position for an Engineering Tutor

## Job Purpose

To plan and deliver effective teaching and learning against engineering-based apprenticeship standards, to a range of employed, individual or groups of apprentices, in the workplace or through electronic means.

## Knowledge Skills and Qualifications - Essential

- Significant industry experience with a level-5 or above subject related qualification and a degree in mechanical, electrical or instrumentation/control engineering.
- A teaching qualification at level 4 or higher (or willing to work towards).
- A proven record of preparing learners for external examinations, working with awarding bodies (BTEC/HNC) and a record of achieving high pass rates / grades for learners.
- Inspirational teaching and learning practitioner with vast experience of teaching engineering particularly in the fields of electrical and instrumentation/control.
- Able to develop a strong positive rapport with learners and actively engage them in both classroom and online environments.
- A confident user of IT for administration and lesson delivery (including a high level of expertise in the use of Microsoft Teams).

This role is subject to a full enhanced DBS check and online checks will take place for candidates who are shortlisted.

This role is based in Southampton

## Remuneration Package

- Salary between £37,500 to £45,000 per annum dependent on experience
- Full time permanent role
- Expenses
- Pension
- Life Assurance
- 28 days holiday plus 8 bank holidays (FTE)
- Opportunity to buy-back 5 extra days annual leave (FTE)
- Optional Private Health Care package
- Hybrid working
- Employee Assistance Programme
- Bonus Scheme
- Aspire Award Scheme
- On-site parking
- Long Service Awards
